## **Photography and Taping Policies**

### **Concert Photography**

Concert photography without flash is permitted during Charlotte Martin's live performances. Flash photography is not permitted.

Commercializing concert photography is illegal and will in turn jeopardize photography privileges for future tours.

Venue restrictions may apply. Please check with all concert venues prior to the listed concert date regarding their photography policy.

### **Audiotaping and Videotaping**

Charlotte Martin allows audiotaping and videotaping during her live performances. Taping may not be permitted at specific performances. Announcements will be made in advance when possible.

Taping is strictly limited to audio-only by use of microphones, as soundboard and/or power feeds are not provided.

Equipment must not obstruct views of the stage, sound booth, or other concert guests and attendees.

Recordings may be uploaded to Archive [[www.archive.org](http://www.archive.org)] for personal and/or trading use. Commercializing audio recordings is illegal and will in turn jeopardize audiotaping privileges for future tours.

Venue restrictions may apply. Please check with all concert venues prior to the listed concert date regarding their taping policies.
